

# HENNOCK & TEIGN VILLAGE

Issue 88

*Newsletter*

Hello everyone. I do hope you are all keeping well and safe.

Wow, what a roller coaster few months it has been. We, on the Village Hall Committee have been meeting and trying to make arrangements to open the Village Hall again. Unfortunately, just as we thought we had it all sorted, the rules changed again and it seems as though we are back to square one.

So, we take this opportunity to update you all on the works which have been carried out over the many months.

Firstly the village hall has a new hat! The re-thatching of the roof finished in early spring, so we are now soundly dry for many years to come. Many thanks to the thatching team, lead by Dave Trant from Hennock, who have all done a splendid job in creating a typical Devon styled thatched roof for us all to admire. It sits pretty on our listed hall, originally the village tithe barn. Our grateful thanks go to Mr. & Mrs. Ward at The Old Vicarage for their support in kindly allowing us access to thatch the rear of the hall roof.

The roof lights at the rear of the hall, which have been leaking for some time, have all been replaced. The new lights will also let in far more daylight into the hall room.

Sadly our annual Village Fayre was cancelled, like so many other similar events and now some of the events going forward are put on hold for this year - Apple Day at West Hele, Halloween Children's party and the Christmas Fair in November, unless we can come up with some new ideas on how to hold these events in revised settings in line with Government Guide lines on social distancing, numbers etc. If the Government revises these guide lines in due course, then these events could be reconsidered in the hall.

**TABLE MISSING** A 6 ft. x 3 ft. table is missing from the Village Hall. If you have borrowed it, please let one of the village hall committee officers know so that it can be returned.

## **Hennock Gardening Club**

A big thank you to the Gardening Club for the wonderful village flower displays in Hennock and Teign Village and also to the watering gang for keeping the planters fresh and vibrant through the season.

The Club will replant the pots and troughs in the autumn with bulbs and plants for a good spring display. The members hope to meet up again shortly.
